SATISFIED

customers

Thanks for a wonderful breakfast. The quality of bread was fantastic! The lucky in love tea was amazing. We were staring at the flowers as they bloomed. You are a real sensitive boyfriend!! I will surely tell my friends about you and your delicate service, which goes beyond service.

Many thanks!

Lily

ps

from Hamish:

The poem made my day and I will be referring to Lily as my 'refined sugar' for years to come. Thanks so much.

I can't believe you're not butter!
